

## SUMMERTIME

The summer season offers us all a change of pace in one form or another. Perhaps it has to do with vacation from school or work, travelling or just coping with warm weather. We should see this season as an opportunity for spiritual growth as well as leisure, and perhaps a blending of both. Some good spiritual reading, a few minutes more each day for prayer, or even setting aside a few hours, or a day, for quiet, prayer and reflection can make our leisure time more productive.

At the very least, we should continue to attend Sunday Mass. If you are travelling, you can visit the website: [Masstimes.org](http://Masstimes.org) to find a church and Mass schedule near wherever you are. Very often it happens that the most surprisingly pleasant and spiritually refreshing experiences occur when we attend Mass in a church along our travel itinerary.

Whether it involves travelling, or the equally beneficial staycation, we should be spiritually attentive to the gift of this season and the spiritual opportunities it presents to us. Time spent with the Lord in prayer and worship, time with family and friends, time making new friends and time alone are gifts to be valued and made the most of. Whatever you do I hope you have a beautiful summer!

God's blessings,

## *Air Conditioning*

About two months ago we began to take a serious look into the possibility of air conditioning in the church and in St Joseph's Hall. The good news is that it can be done and it can be done without interfering with the interior or exterior architecture of the church. We are going to continue to explore this project and all that would be involved including, of course, the cost. Such an endeavor would require a major fundraising effort in the parish. Everyone would reap the benefits of what would effectively be the creation of climate controlled spaces throughout the year. As we experience another summer heat wave this weekend, we can easily understand that air conditioning is not just a luxury, but for many it is a necessity. I will keep you informed as we continue to explore all that is involved.

PS: I hesitate to even mention it during a heat wave, but even the heating in the church and hall would be improved with a new system!

## *The "Blue Kitchen"*

One of the most used spaces, after the church itself, is the small kitchen off the stage in St Joseph's Hall. As many of you know, the stage area was once the Sanctuary for what was the Lower Church and the kitchen was the Sacristy. One of the projects we had on our to-do list when we began the Generations of Faith campaign five years ago was the much needed renovation of the kitchen. Thanks to the generosity of those parishioners who have been fulfilling their pledges to the campaign, we have been able to put some money aside for the renovation of the kitchen. We hope to begin soon.

If you were part of the Generations campaign, please continue (or begin) to fulfill your commitment.

If *any* parishioner would like to be part of the kitchen renovation project, please contact Father Ceriello.

## YOUR SUNDAY OFFERING IN SUMMERTIME

As is true for all of us, our parish expenses do not decrease during the summer months, though Mass attendance often does with so many away from home on weekends. Please remember to keep up with your weekly offerings even if you are not at Queen of All Saints for Sunday Mass.

Your faithful and generous sacrificial giving each week is always inspiring. Thank you!

**PARISH OFFERING**

*The offering to the parish of was: \$ 4875  
Thank you for your generosity and support of  
Queen of All Saints!*

**PARISH WEEKLY GOAL**

*Thank you for your sacrificial giving each week.  
Please remember that in order for us to meet our  
ordinary expenses, we need a minimum of \$7500  
in each Sunday's offering. Please continue to be as  
generous as you can. If you miss a week for any  
reason, please try to make up for it the following  
week or when you return. This is especially true  
on holiday weekends and during the summer  
months. Thank you again for your understanding.*
