

Advent Hope

Thankfully, our lives have built into them many occasions for new beginnings and fresh starts. The season of Advent is one such occasion, and a very important one for us as Christians. It is the beginning of a new liturgical year, and a time of hopeful expectation as we prepare for the celebration of the birth of Christ.

Advent reminds us to be alert, to pay attention and to be prepared for the coming of God into our lives. We are also reminded during Advent that in order to welcome and receive the Lord into our lives, we must make room for Him. As Catholics, an excellent way to do that is through the Sacrament of Penance and Reconciliation. The sacramental confession of our sins is a great help in preparing and opening the way for the Lord.

This time of the year is filled with many things that are very pleasant and meant to be enjoyed, but can sometimes distract us from what is truly necessary and most important. Remembering that Christ, with His whole heart, wants to come into each of our lives in a most personal way is a truth that will help us to prepare and make room for His arrival. It begins with our acknowledgement of our need for Him. Advent Hope speaks to us about an important truth: Amid the incompleteness, perplexities and inconsistencies of life, God's love is constant and unchanging. This love is always here to fill us, renew us and make us whole.

God bless you,

Father Ceriello

PARISH OFFERING

The offering to the parish last Sunday was: \$ 9484

Thank you for your generosity and your support of Queen of All Saints!

PARISH WEEKLY GOAL

Thank you for your sacrificial giving each week. Please remember that in order for us to meet our ordinary expenses, we need a minimum of \$7500 in each Sunday's offering. Please continue to be as generous as you can. If you miss a week for any reason, please try to make up for it the following week or when you return. This is especially true on holiday weekends and during the summer months.

Thank you again for your understanding.

PARISH STEWARDSHIP

As you know, we have embarked on a stewardship program for the parish that hopefully will enable us to meet our current and future financial obligations. Maintaining and continuing to develop parish ministries and programs, and the care of our beautiful church and adjoining spaces is a responsibility that we all have a share and interest in.

You should have received a letter and reply card in the mail or through the bulletin and parish website. It is very important to the success of this program that you return that card. Perhaps you are able to increase your weekly offering, or perhaps not. You can indicate that on the card. You can also indicate how you prefer to make your weekly offering: using envelopes, through your bank, or through online giving. It is very helpful for future planning to have that information.

Thank you for your understanding and cooperation!
