*Jesus  
is the  
Answer*

### Christ is the Answer

*We ourselves have this very deep certainty that Christ is the answer and that without the concrete God, the God with the Face of Christ, the world destroys itself; and there is growing evidence that a closed rationalism, which thinks that human beings can rebuild the world better on their own, is not true. On the contrary, without the restraint of the true God, human beings destroy themselves. We see this with our own eyes. We ourselves must have a renewed certainty: he is the Truth; only by walking in his footsteps do we go in the right direction, and it is in this direction that we must walk and lead others. In all our suffering, not only should we keep our certainty that Christ really is the Face of God, but we should also deepen this certainty and the joy of knowing it and thus truly be ministers of the future of the world, of the future of every person. We should deepen this certainty in a personal relationship with the Lord because certainty can also grow with rational considerations. A sincere reflection that is also rationally convincing but becomes personal, strong, and demanding by virtue of a friendship lived personally, every day, with Christ, truly seems to me to be very important.*
